

Speaker/Instructor

Rosie Page-Wallace, CHI, CPT, CPhT, CET, CCMA, CMLA

Rosie Page-Wallace is President of Page Consultants International, a firm offering consultation and training services. Healthcareer Group/Healthcareer Certification Group is Page Consultants' training arm for allied healthcare.

Rosie has been providing training services for 30 years. Prior to the establishment of her consulting firm, Rosie was providing internal consulting and training services to the United States Navy for 20 years.

She worked 14 years as the Program Manager and Trainer to the Navy's Shore Station Command School for major shore installations worldwide. There, she personally facilitated learning for more than 2,000 senior naval officers.

After retiring in 2005, she began a second career in allied health education. Areas that she has received formal education and certification include: Healthcare Instructor (CHI), Pharmacy Technician (CPhT), Phlebotomy Technician (CPT), EKG Technician (CET), Clinical Medical Assistant (CCMA), Medical Lab Assistant (CMLA), and Medical Billing and Coding. She has training in Diagnostic Medical Sonography, Health Information Technology and , Surgical Technology. Rosie has also completed the Department of Homeland Security Disaster Preparedness Training at Morehouse School of Medicine.

She was instructor, Director of Student Services, and Job-placement Coordinator at a medical institute in Atlanta, GA and has served as Consultant and Lead Instructor to Medical Career Specialists, Inc.
